# Sunday Seminars

DiskBooks Electronic Publishing  
PO Box 473  
Mechanicsburg, PA 17055 USA

[© 2004, 1997 G. Edwin Lint](#)

A number of Biblical topics are valuable for Christian growth but may not justify emphasis for an extended period. Therefore, I've developed several such topics into what I call "Sunday Seminars". They run from one to three hours in length and are designed to stimulate group participation. The style is informal.

## Table of Contents

### **1. Ten Basic Rules For Bible Study .....3**

The Bible can be a very difficult book to read and study. This seminar provides some tips for finding out what the Bible really has to say.

### **2. Normal Is Better Than Average .....6**

What is the difference between a good Christian and a typical American? Can a good Christian fit into society? Just how "different" should we be?

### **3. What The Bible Says About Speaking in Tongues (Unlearned languages) ..8**

What about speaking in tongues in the Christian church? Is it forbidden? Is it required? Is it permitted? The Apostle Paul gives some frank and plain answers to these questions.

### **4. Where Do Dinosaurs Fit? .....10**

The science books our children use in school claim this planet is millions of years old. Bible historians, however, say there's less than 10,000 years between Adam and us. What can we teach our children which is both scientifically accurate and Biblically correct?

### **5. The Job Description Of The Holy Spirit .....12**

# Quick Index for Posts to My *Night Watchman* Blog

A culture war rages all around us. I am stationed in a watchtower, on top of the wall, watching the night. If I see danger approaching in any form, from any quarter, I will sound the alarm!

"Watchman, what of the night? The watchman said, The morning cometh"... Isaiah 21:11, 12

# 1. Ten Basic Rules For Bible Study

2 Timothy 2:15

## 1. Accept The Divine Inspiration Of Scripture (2 Tim. 3:16)

God has had his hand on each phase of the delivery of His word into your hand:

- Original composition
- Hand-copying for hundreds of years
- Translation into your language
- Printing

## 2. Ask For The Guidance Of The Holy Spirit As You Study

The most intelligent and highly-educated people in the world can find the scriptures to be foolishness without the help of the Holy Spirit.

## 3. Choose A Version For Personal Study Which You Can Understand

- The New International Version is the most popular modern-language translation.
- The Living Bible by Dr. Kenneth N. Taylor is the most popular modern-language paraphrase.
- The King James Version sounds the best when used in public worship and ceremonies. (Personal opinion.)

If you do use the King James Version for personal study, learn the meanings of the more frequently-used archaic terms.

## 4. Memorize The Biblical Outline Of The Plan Of Salvation

- a. In the beginning God created human beings for fellowship and worship. Gen. 1:27.
- b. Adam and Eve broke their relationship with God through disobedience and the penalty was death. Gen. 2:17; 3:6-8.

- c. God had mercy and for hundreds of years He was willing to accept the death of an animal as the penalty for sin. Lev. 4:4.
- d. Then God sent His only Son, Jesus Christ, as the supreme sacrifice for our sin. John 1:29.
- e. Now the only way back to the fellowship with God for which we were originally created is to personally accept the sacrificial death of Jesus Christ. John 14:6.

## 5. Learn The Chronological Sequence Of The Bible's Story Line

**Bible dates are taken from "The Chronology of the Bible , Frank R. Klassen, Regal Publishers, Nashville, 1975.**

**Dates up to the birth of Christ are BC**

April 1, 3975	Adam is created as the first human being.
2319	Noah survives the flood in the ark
April 15, 1892	Abraham enters the Promised Land of Canaan as the father of God's chosen people.
1677	Jacob (later known as Israel) and his 12 sons migrate to Egypt to escape a famine and be with Joseph.
April 15, 1462	Moses leads the exodus Out of Egypt.
1422	Joshua leads the children of Israel back to the promised land of Canaan after an absence of 255 years.
1061	Saul becomes the first king of Israel.
945	The kingdom is divided after Solomon's death. Judah with 2 tribes is known as the Southern Kingdom. Israel with 10 tribes is known as the Northern Kingdom.
721	Israel is destroyed and scattered by Assyria.
586	Babylon completes the captivity of Judah.
458	The wall of Jerusalem is rebuilt and Ezra restores proper temple worship.
April 1, 5	Jesus Christ is born
	<b>AD-- Anno Domino (year of our Lord)</b>
April 15, 29	Jesus Christ dies on the cross.
June 5, 29	The Holy Spirit is given on the day of Pentecost.
48	The Council of Jerusalem decides gentile Christians do not have to live according to the law of Moses.
48--57	Paul's three missionary trips.

## **6. Study The Context Of All Quotations And Incidents**

- Who said it or who did it?
- Why was it said or done?
- When did it take place?
- Where did it take place?

## **7. Look For The Pattern**

As a general rule, doctrine is not based on one incident or reference. Doctrine is part of a pattern.

## **8. Ignore What Isn't Taught**

The Bible doesn't tell us everything we want to know, only what we need to know. Remember: "We'll understand it better by and by."

## **9. Accept The Supreme Authority Of The Bible**

The teaching of the Bible takes priority over all other writing. Many doctrines and philosophies appear in commentaries and devotional books which are not in harmony with the teachings of the Bible. The Bible always has the final word. In addition, examine Biblical fiction, art, and music very carefully. Many gifted people do not follow the scriptures in the midst of their creative flow.

## **10. Learn The Difference Between What Is Reported And What Is Commanded**

The Bible is extremely valuable as a history book. However, not all incidents which are reported can be accepted as a basis for doctrine. For example, snake handling is reported but it is not commanded.

# **Food For Thought**

The Bible was written over a period of 1500 years by 39 different authors using three different languages, yet it has never been proven wrong. The Bible has never been in proven conflict with scientific fact in such areas as history, medicine, astrology, and archeology. It never will be.

# 2. Normal Is Better Than Average

Romans 12:1-2

1. **Average behavior:** Doing What most of the people do most of the time.
2. **Normal behavior:** Living according to the teachings of the Bible.
  - God is our manufacturer. The Bible is our operator's manual.
  - Living according to the value system of the Bible is the normal, natural, logical Way to live.
3. **Frequency** may make a non-Biblical action average but never normal.
4. **Living within** the Biblical "prohibitions" is perfectly normal.
  - A certain prohibition isn't wrong because the Bible says it's wrong. The Bible says it's wrong because it is wrong.
  - Normal (biblical) living is sound practice from a psychological, physiological, financial, and sociological point of view.
5. **Even though never practiced,** certain sins can appear "normalized" to the born-again Christian through exposure to --
  - **Humor.** Dirty jokes always get a laugh. TV situation comedy scripts built around a suggestive theme are usually very popular.
  - **Music.** Things are sung about today which weren't talked about in mixed company 50 years ago.
  - **Drama.** The soap operas are a living catalog of all the sociological abnormalities known to the human race, to say nothing of sinful practices.
  - **Fiction.** Four-letter words are off the toilet wall and into the best-sellers.

- Advertising. The bright and the beautiful are seen doing all the abnormal things in the most attractive environments.

**6. The born-again Christian must remain sensitized to the abnormality of sin.**

# 3. What The Bible Says About Speaking in Tongues

(Unlearned languages)

## Acts 2:1-11, 1 Corinthians 14

In the Bible, speaking in tongues is reported but never commanded and it is never forbidden. This is a scriptural fact.

1. **The practice of speaking in tongues originates from the day of Pentecost. When the Holy Spirit came to earth that day. Acts 2:1-11.**
  - There was the sound of a rushing mighty wind. V. 2.
  - Flames of fire appeared above the heads of the 120 assembled. V. 3.
  - And, they were given the ability to speak in unlearned languages.
2. **The ability to speak in unlearned languages had a specific purpose on that day.**
  - Jerusalem was filled with travelers from other countries who were there for the Feast of Pentecost. V. 9-10.
  - God wanted all these people to hear about Him in their own languages. V. 11.
  - However, the men of God were not speaking in unknown tongues or a mysterious heavenly language. They were speaking in the everyday languages of the visitors who were in Jerusalem on that day.
  - Today, we would get the same effect in the General Assembly of the United Nations when the simultaneous translators speak into the 5-channel public address system in the basic languages of the UN.
3. **By the time the church at Corinth was organized, Paul was having trouble with certain Christians who took pride in being**

able to "speak in tongues". This problem caused him to write what we now know as 1 Corinthians 14.

**4. In this chapter, we learn the following facts:**

- Paul ranks the gift of prophecy (spiritual instruction) above the ability to speak in tongues. V. 1-6.
- Paul could speak in tongues, perhaps because he had studied them. But, he said that 5 words in a known language are worth more than 10,000 words in tongues (unknown languages). V. 18-19.
- Tongues should not be spoken in church at all unless someone is available to translate into a known language. V. 27-28.
- Praying or singing in tongues is also not useful. V. 14-15.
- Speaking in unlearned languages was useful at Pentecost. However, if it is done in church, unbelievers will think it is crazy. V. 22-25.
- It is wrong to forbid someone else to speak in tongues. V. 39. We must assume, however, the rules for worship given here will be obeyed.
- All parts of a worship service should make sense to everyone who attends. V. 40.

## Biblical Evidence for Long Creation Days

*By Hugh Ross, Ph.D.*

*[Old earth theory]*

## In the Beginning: Compelling Evidence for Creation and the Flood

Walt Brown Ph.D.

*[New earth theory]*

## Genesis 1:1-19

The purpose of this seminar is to help parents of school-age children provide scriptural guidance to balance the non-Biblical approach of some science teachers and textbook publishers.

### We Believe --

- **God created everything, both organic and inorganic.** We may not know how or when He did it but we believe He did do it.
- **God exists in the eternal present.** For God, there is no future and no past, only the eternal present. There was never a time when God was not and there will never be a time when He will not be.

### We know --

- **Our time is measured** by the time it takes the earth to rotate on its axis with the sun as the reference point. One complete revolution is one day.

- **God did not create our sun until the fourth day** of creation. Gen. 1:14-18.
- **The study of archeology and geology indicates there may have been some sort of cataclysmic catastrophe in the history of the earth.**

### **Within The Biblical Account Of Creation, We Can Theorize That--**

- **The "days" of the creation sequence were not 24-hour days as we know them now.** Since time only exists for man and not for God, He would not have been bound by a sequence of six 24-hour days. Some of God's "days" could have been trillions of years long. This is especially true of the first 3 creation days, before the earth's timekeepers were created. Frank R. Klassen believes the human race is no more than 6,000 years old. (Chronology of the Bible, Regal Publishers, Nashville, 1975.) However, an unlimited amount of time could have expired before the creation of man, during the first 5 creation days. This might be called the "long day" theory.
- Genesis 1:1 says, "In the beginning God created the heaven and the earth." However, the next verse says, "**And the earth was without form, and void**; and darkness was upon the face of the deep." It doesn't seem logical that God would have created something empty, shapeless, and dark. Therefore, we can imagine a gap or indefinite period of time between Verse 1 and Verse 2. A "cataclysmic catastrophe" might have occurred during this gap. One theory indicates the war of the angels (Rev. 12) took place during this period. This gap could also explain fossils of prehistoric animals and the time it takes to form coal, oil, and precious stones.

***Above everything else we must believe that God created everything in His own good time. He has the power to have done it in 144 hours or 144 trillion years. Nothing happened by accident or without His creative force to guide the process. We may never know how, when, or why. We only need to know one word. God.***

# 5. The Job Description Of The Holy Spirit

## The Holy Spirit Is Spiritual Electricity

The third Person of the Trinity is God, the Holy Spirit. When Jesus died and went to Heaven, He sent back His Holy Spirit to serve humans by providing us with **three kinds of power**:

- **Power to Know:** help us understand the Bible and what it teaches about God and Jesus Christ.
- **Power to Do:** perform the will of God in our lives and share the truth with others.
- **Power to Survive:** help us resist the evil power of Satan and his demons.

*The Holy Spirit is really the Ghost of Jesus. In fact, the King James version of the Bible calls Him just that: the Holy Ghost*

There are numerous power companies but they all distribute electricity. And there are numerous churches but if they have any supernatural power, it is of the Holy Spirit.

- **Some churches are Wesleyan in doctrine** and believe that we are filled with the Holy Spirit after we are saved, in a second, definite, instantaneous work of grace known as entire sanctification.
- **Some churches have a Pentecostal background** and believe we are filled with the Holy Spirit when we are baptized in the Spirit, sometimes with the evidence of speaking in unlearned languages as the Spirit gives us utterance.
- **Some churches are Calvinist in doctrine** and believe that we are filled with the Holy Spirit at the point we are saved, in a single work of grace.

One thing applies in every case: **we must be filled with the Holy Spirit**. If we aren't, we have no source of power.

Electricity may be flowing all around us in the walls of a home or other building. This electric power can bring wonderful appliances to life in our hands, but only if we plug in

to a receptacle and bring the electric power into contact with the computer, lamp, or tool we hope to use.

## **The Importance of self-defense**

**During the days of piracy on the high seas**, pirate ships would steer close to a victim vessel so the marauders could swing over onto the deck from the rigging. When the defending captain saw the pirate ship drawing close, he called the command, "Prepare to repel boarders!" When we see Satan and his demons trying to board our vessel, we, too, need to prepare to repel boarders. Change that TV channel; leave the movie theater; close that book or magazine; close your eyes until the danger passes.

The objective of God and the forces of good is salvation of the souls of all humans who will accept His Son as their personal sin sacrifice. However, the objective of Satan and his demons is damnation of the souls of all humans in Hell forever. This conflict of objectives results in spiritual warfare. The latter portion of the sixth chapter of Ephesians describes this spiritual warfare in the hand-to-hand combat language of the first century. In fact, the term "stand" which appears several times in this chapter is an ancient military command. When given on the battlefield, the command "stand" meant to form a hollow square with the backs of the soldiers facing the inside of the square and the weapons facing out towards the enemy.

## **The night before Jesus died,**

He shared many important things with His disciples. During this time of sharing, He told them about the Holy Spirit, referred to as the "Comforter" in the King James Version. This is how He outlined the job description of the Holy Spirit as they walked from the Upper Room to the Garden of Gethsemane:

\* \* \* \* \*

After His death and resurrection, the time came for Jesus to go back up into heaven. Just before He ascended, Jesus said this to His disciples:

Acts 1:8. "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses . .

There are several different interpretations of the doctrine of the Holy Spirit. The scriptures outlined here represent a summary of **what Jesus Christ, Himself, said about the Holy Spirit.**

**John 14:16 Permanent companionship.**

**John 14:26 Instruction.**

**John 15:26 Confirmation of Jesus' teachings.**

**John 16:7-8 Conviction of sin.  
John 16:13 Revelation of truth.**

# 6. Christ In The Parent-Child Relationship

## *Eph. 6:1-4 Mutual Expectations*

- **V. 1:** A parent has the God-given right to expect obedience.
- **V. 2:** A parent has the God-given right to expect honor.
- **V. 4:** A child has the right to expect fair and rational treatment.
- **Proverbs 22:6:** A child has the right to expect spiritual training.
- **Proverbs 13:24:** A child has the right to expect a combination of physical discipline with physical love.
- A parent should expect tearful protestations in the face of discipline,
- **Proverbs 19:15.**
- The child has the right to expect that the parent will not give in to the crying,

# 7. Christ In The Employer-Employee Relationship

## *Ephesians 6:5-9*

Most adults have experienced the role of an employee. Many know what it's like to be an employer or "boss". The Apostle Paul has some very practical advice for persons in both categories.

In fact, his advice is so practical that organized labor as we know it today would never have come into existence if our society had followed Paul's instructions.

### *Employees Should--*

1. V. 5. **Obey all orders** \*which are not dangerous, immoral, or illegal).
2. V. 5. **Put in a good day's work** even when no one is watching.
3. V. 7. **Show a Christ-like attitude** on the job.
4. V. 8. **Remember that some rewards for doing a good job may come from the Lord** and not the employer.

### *Employers Should--*

1. V. 9. **Treat employees as they wish to be treated by employees.**
2. V. 9. **Not threaten employees without just cause.**

## **Standard management practice for employee discipline follows this sequence:**

- verbal warning,
- written reprimand,
- suspension without pay, and
- dismissal.

### **3. V. 9: Remember that both employers and employees are ultimately accountable to God.**

# 8. The Care And Feeding Of Baby Christians

John 3:3-7, 1 Peter 2:2

**If you are born again, you are in the Family of God where:**

- **God is your Father.**
- **Jesus Christ is your Elder Brother.**
- **All other born-again believers are your brothers and sisters in Christ.**
- **And the church is your mother.**

**If you recently accepted Jesus Christ as your personal Savior, you are a Baby Christian.**

*During your spiritual infancy:*

- **You are in a group with a high mortality rate.** Satan will do his best to cause your spiritual death because he knows how weak and vulnerable you are.
- **You will need special food at frequent intervals.** Peter calls this special food the "milk of the Word". 1 Peter 2:2.
- **You will need lots of tender loving care** from your mother and your brothers and sisters. You get TLC automatically from your Father and your Elder Brother, if you want it.
- **You will need spiritual discipline.** As babies grow older they make mistakes and get into trouble. Your mother will have to be very careful in providing the right type and amount of discipline. Your Father will love you very much but He will discipline you, also--when you need it.
- **You will need lots of instruction.** Sunday school, Bible studies, and worship services will provide you with many valuable learning experiences.
- **You will learn to have fun** with your spiritual family. Being a baby Christian isn't all discipline and learning. There will be many chances for social interaction

with your new brothers and sisters. One simple way to get to know your family a little better is to hang around after church and talk to people. You'll soon find yourself a part of the social life of the church.

# 9. Why Did The Christmas Angels Sing About Peace?

*Must listening and reading for all Christians ...  
Available in hard-copy book and audio tape*

*Cosmic Christmas*

**Written by Max Lucado and Narrated by Tom Dooley**

**© 1997 by Max Lucado and Word Publishing,  
Nashville, TN USA**

**Word Audio Books on Cassette  
Available at your local bookstore**

## **Luke 2:13-14; Romans 5:1**

The night Jesus was born, the heavenly angels sang, 'Glory to God in the highest and on earth peace, good will toward men.' Luke 2:14.

Since that night we have had very little political or military peace in the world.

Did the angels sing the wrong song? Why did they sing about peace if there was to be no lasting peace in the world?

**Answer: The peace the angels sang about is peace with God. Romans 5:1**

**In the beginning, God made us for fellowship and worship.**

**However, sin broke that relationship and when the angels sang the first carol, man was not at peace with God.**

**\* So, Jesus was born to be the ultimate sin sacrifice for the whole world and this would make it possible for true peace to exist between God and man**

**\* The angels did sing the right song.**

**The angels sang the right song for another reason. Peace with God will bring political and military peace, also.**

\* What would happen if everyone in Ireland would be at peace with God through Jesus Christ? Or, if all the inhabitants in Israel and the Arab countries were at peace with God?

**When two people are at peace with God, they will be at peace with each other!**

## **Some Christmas Facts**

- **The Bible doesn't say how many wise men came to visit Jesus. We only know they brought three types of gifts: gold, frankincense, and myrrh. Matt. 2:11**
- **An innkeeper isn't mentioned in the Christmas story. We only know Jesus wasn't born in an inn, He was born in a barn. What better place for the Lamb of God to be born! Luke 2:7.**
- **Perhaps Jesus was born in a barn because it provided more privacy than Mary would have found in the common sleeping room of an inn of that day.**
- **When the wise men visited Jesus, he was at least two years old. Herod killed all the babies up to two years of age, and when the wise men came, Jesus was living in a "house", not a barn. Matt. 2:11, 16.**

# 10. Born-Again Arbitration Instead of Litigation

Believers should not sue each other in lawsuits brought by lawyers in front of judges and juries. Arbitration should be used.

The Apostle Paul had litigation problems in the Church at Corinth. In Chapter 6 of his first letter to them, he said,

**1CO 6:1 If any of you has a dispute with another, dare he take it before the ungodly for judgment instead of before the saints? 2 Do you not know that the saints will judge the world? And if you are to judge the world, are you not competent to judge trivial cases? 3 Do you not know that we will judge angels? How much more the things of this life! 4 Therefore, if you have disputes about such matters, appoint as judges even men of little account in the church! 5 I say this to shame you. Is it possible that there is nobody among you wise enough to judge a dispute between believers? 6 But instead, one brother goes to law against another-- and this in front of unbelievers!**

Let's look at what Paul was really saying here within the context of life in the 21st century.

- **V. 1:** It is inevitable that believers will have differences of opinions among themselves. However, these differences should never become formal litigation involving lawyers, courts, and judges where persons that are not believers may become involved, even as spectators.
- **V.2-4:** Following the Rapture, believers with their glorified bodies will be given great authority in the cosmos [Earth and Heaven combined.] Such judgments will be of far greater significance than any differences among believers we will see in this life. On some occasions, we may be called upon to settle disputes among angels.
- **V. 4:** However, Paul doesn't suggest that believers with disputes are just to grin and bear it. Instead he introduces the concept of *born-again arbitration*. Selected believers are to be assigned the job of settling disputes within the cloister of the church, without resorting to formal and public litigation. While

**such ad hoc judges are not given the rank of apostles, pastors, or teachers, as seen in Eph. 4:11, their Christian service does serve a useful and valuable purpose.**

**There is no evidence that Paul is talking about matters that should be handled through the criminal justice system. Paul, himself, took full advantage of the Roman courts when the situation justified it.**
